ADMINISTRATIVE ORDERS
OF THE CITY MANAGER

ADMINISTRATIVE ORDER 1.26
TO: City of Dublin Employees
FROM: Megan D. O'Callaghan, City Manager <i>Megan O'Callaghan</i>
SUBJECT: Dangerous and Vicious Animals
DATE: February 1, 2026
<i>Rescinds Administrative Order 1.26 dated January 3, 2022, regarding the same subject.</i>
PROPONENT: Office of the City Manager

1. PURPOSE

This Administrative Order is hereby rescinded, as it is no longer necessary. At the time of adoption, the City did not have an alternative process in place for addressing dangerous and vicious animals, as the County had discontinued providing this service. Additional options are now available to the City to address dangerous and vicious animal matters. These alternatives provide an appropriate and effective means of handling such cases, rendering the administrative order unnecessary. This AO will be removed from DubNet effective immediately.
