PROJECT DESCRIPTION

AURA DUBLIN RETAIL BUILDING

The Aura Dublin is a new standalone 7,683 sf multi-tenant building. Aura is located at the corner of Sawmill Road and Martin Road in the southeast corner of Gabe’s parcel. The existing 3.65-acre site contains a large commercial, Gabe’s, building with surface parking along the east and north sides. The proposed outparcel occupies the southeast corner of the site where parking currently exists. The new building footprint removes a portion of the southeast parking field. The overall site currently includes 170 parking spaces, which would be reduced to 136 spaces. The site is zoned BSD-C, Bridge Street District – Commercial. The proposed uses (general retail and eating/ drinking) are principal uses under the Mixed-Use Urban FLU and are permitted in BSD-C.
