Re: Nomination of First Lieutenant George L. Seeds, U.S. Army Air Forces to be Added to the Killed in Action Memorial at Dublin Cemetery

Background

First Lieutenant George L. Seeds was killed in action (KIA) piloting an aircraft over France on Christmas Day 1944. His remains are buried in section 1A of the Dublin Cemetery next to those of his brother, U.S. Army Technical Sergeant Robert C. Seeds. Robert, an infantryman, was killed in action near Florence, Italy just months prior, on September 12, 1944.

Prior to the construction of the City's KIA Memorial in 2013, the National Information Company (NICOM), a research firm specializing in military records, was engaged to identify names of persons from Dublin or Washington Township who may qualify for inclusion on the wall. Sixteen names were initially identified as "confirmed" and inscribed on the wall, including Robert C. Seeds whom NICOM identified as a Washington Township resident. Robert's brother, George L. Seeds was included on this list as "probable," but his name was not included on the Memorial. All documentation researched by staff to date indicates a consistent affiliation to Dublin/Washington Township for both brothers.

Janet Seeds, the brothers' surviving niece, brought the disparity to staff's attention in June of this year. In accordance with Section IV of the adopted Inclusion Policy for KIA Recognition, Ms. Seeds and her family requested the name of George L. Seeds be added to the KIA Memorial.

Recommendation

Based on City Council's approval of Robert Seeds name to be included on the Memorial in 2013; the eligibility criteria of both brothers is consistent; and the remains of both are buried in the Dublin Cemetery, staff recommends George L. Seeds be added to the KIA Memorial in accordance with Section IV of the Inclusion Policy for KIA Recognition (attached). If you have any questions related to this matter, please feel free to contact Alex Rozanski or Matt Earman directly.

Wonderful for Croup-Sp. Tuss! Ever since they were tiny tots—when over the Quintuplets catch cold—their close, throats and noses—immediately rubbed with Musterole. Musterole gives such blessed relief because it's more than just an ordinary "ointment." It's what so many Doctors and Nurses call a "super-antiseptic." It not only relieves coughs, sore throats, aching chest muscles due to colds, but also loosens mucus—so that it actually helps break up congestion in upper bronchial tract, nose and throat. And Musterole is so much easier to apply than a mustard plaster. White, Gleaming, and rub it on! "No Fuss. No Mess with Musterole!"

408 GOLD STARS Triple World War I

The University's honor roll of dead in World War II mounted to a total of 408 last month — more than three times the total of Ohio Staters (135) who gave their lives in the first World War.

For the second consecutive month, additional deaths of sons of the University were reported at the rate of more than one a day. It was the second darkest month for the University and the Alumni Association as a total of 33 new war dead were reported to the War Records Division.

Among the new dead was Lt. Vernon L. Zieske, 25, BSc Com'41, pilot of a P-47 Thunderbolt, killed in action over Belgium. His brother, Lt. Clarence E. (Bud) Zieske, also a University graduate, gave his life in aerial combat last August. The Zieske family, of Geneva, O., was the third University family to lose two sons in combat. (See cuts of the two late Seeds brothers, sons of Mr. and Mrs. Clarence G. Seeds.—Ed.)

Jim Dennis Killed. Another especially hard blow was the death of Lt. James W. (Jim) Dennis, 28, BSc Com '37, of Ashley, O., killed in the crash of a bomber in Alabama. He was one of the most handsome, popular young men to graduate from the University in recent years.

Of the 33 new war dead, 23 gave their lives in action, nine were killed in plane crashes, and one died of a cerebral hemorrhage. Fourteen gave their lives in ground fighting in Germany, France

and Belgium. Three were killed in Italy. The University and the Alumni Association last month extended deepest sympathy to the relatives of these new honored dead:

ABRAHAMAS, Lt. Sardou, 25, Com w'41, husband of Mrs. Betty Abrahamas and son of Mr. and Mrs. Sol Abrahamas, all of Cleveland Heights. A pilot of the Air Transport Command, he was killed when his plane exploded as he was landing at an air base in China on Jan. 25, '45. He had been overseas since the preceding October, was employed by an insurance company before entering the AAF. An infant daughter also survives.

BARNES, James E. Jr., 29, Com w'38, son of Mr. and Mrs. James E. Barnes of Youngstown. An infantry officer with the 3rd Army, he died of wounds received in action in Belgium on Jan. 26, '45. He is survived by his widow, the former Bernice Patton, and an infant son, James E. IV. His father, James E. (Doc) Barnes, Sr., is a noted physical culturist and president of the Ohio State Boxing Commission. Mrs. Barnes is the former Nellie Daly Moran, stage comedienne.

BRODIE, Marvin W., Jr., 22, Engr w'44, son of Marvin W. Brodie of Columbus. Serving as midshipman on an ammunition ship of the Merchant Marine, he was reported missing on Dec. 2, '43, after an enemy bombing of his ship anchored at Bari, off southern Italy, and was officially declared dead a year later. He had been in the Merchant Marine since March, '43. His stepmother and one sister also survive. On campus he was a member of Sigma Chi fraternity.

BOWMAN, Lt. Leroy C., 27, Engr w'40, husband of the former Marjorie Billingsley and son of Mr. and Mrs. L. D. Bowman of Canton. An instructor in twin-engine planes at Altus, Okla., he was killed when his plane crashed on Feb. 10, '45. He had been an instructor at Altus since graduating from Ellington Field in Feb. '43. He was a graduate of Massillon High school and at the University, where he was ma-

CROWL, Lt. Gordon S., 34, BA'35, MSc '37, son of Mrs. Olive Crowl of Marengo, O. An artillery officer who fought through Bataan and Corregidor and survived the "death march on Bataan," he lost his life when American torpedoes sank a Jap freighter on which American prisoners were being transferred to another camp on Sept. 7, '44. He was an instructor in the University's botany department, working on a doctorate degree, when called to active duty in November, '40. A native of Fulton, O., (see cut), he was a member of the pistol team and Phi Epsilon Phi fraternity which he served as treasurer and president as an undergraduate. He also was elected to Sigma Xi, scientific honorary. His widow, the former Blythe Pearce, also survives.

DEHMER, Lt. Charles S., 28, Com w'39, husband of the former Janet Ann Ingham of Pittsburgh, and son of Mr. and Mrs. Louis Dehmer of Tiffin. He was killed on Dec. 9, '44, while piloting a P-47 on a bombing and strafing mission over northern Italy. He operated an insurance agency in Tiffin after leaving the University and at the time he entered the AAF, he was vice-president of a real estate firm in Pittsburgh. Two sisters also survive.

DENNIS, Lt. James W. (Jim), 28, BSc Com'37, son of Mrs. Harley J. Dennis of Ashley, O. He was killed in the crash of a four-engine bomber on March 8, '45, near the Courtland Army Air Field, Ala. He was president of the senior class in '37; president of Sphinx, Strollers, and the Ohio Union Board; business manager of the Makio in '36. He was president one year of his social fraternity, Delta Upsilon. He was a member of Bucket and Dipper, Romophos, Beta Gamma Sigma, Phi Eta Sigma and Pi Sigma Alpha. He was the University's most prominent athlete to give his life. On campus, he was a nine letter man—football, basketball and track—captained the '39 Conference championship eleven. He belonged to Phi Delta Theta fraternity, was elected to junior and senior men's honoraries. A son was born to Don's widow in a Columbus hospital, one week after his death. The University's flying field has been named Don Scott Field in honor of the pilot's memory.

SCOTT, Lt. Duncan R., 26, BSc Agr '42, husband of Mrs. Nancy Doerr Scott of DeKalb, Ill., and son of Mr. and Mrs. George Scott of Cudahy, Wisc. Commanding officer of a Marine machine gun platoon, he was killed in action with the 3d Division on Iwo Jima on March 4, '45. He had served in the Marine Corps since December, '42, and was a veteran of the Guam campaign in which he received the Silver Star medal for gallantry in action. At the University he majored in floriculture. Wrote his widow to the Alumni office: "I believe that Duncan died for a purpose which our Alma Mater is helping to fulfill." One sister also survives. (See cut.)

SCOTT, Seaman Robert R., w'41, of Massillon, O., killed in action at Pearl Harbor, Dec. 7, '41, while serving in the U. S. Navy. He was awarded the nation's highest honor, the Congressional Medal of Honor posthumously, the first Ohio Stater to be awarded this medal in either World War. Aboard the *California* when the Japs torpedoed the vessel, Scott's last words are known by every Massillon school child. As water poured into his compartment, Scott said: "This is my station and I'll stay here and give them air as long as the guns are going." He is survived by his mother and three sisters.

OFFICE, W. D. LIAISON OFFICER,
THE HOUSE OF REPRESENTATIVES
SUITE 115, HOUSE OFFICE BUILDING

16 February 1945.

Honorable John M. Vorys,
House of Representatives.

Dear Mr. Vorys:

I refer again to your inquiry relative a letter and inclosures received by you from Mr. Anson B. Smith, 74 North Third Street, Columbus, Ohio, written in behalf of Mr. and Mrs. Clarence Seeds regarding the possibility of the discharge from the service of their son, First Lieutenant Richard F. Seeds, 0792751, as they have lost two sons in the service. The War Department has advised me regarding this matter this date as follows.

Inasmuch as this case falls within the category of the recently established War Department policy regarding the retention in the United States of the sole surviving son where two or more have been lost or killed, on 2 February 1945 the War Department directed the retention of this officer. Mr. and Mrs. Seeds were notified of this action on the same date. At that time there was no indication that it was desired to have Lieutenant Seeds relieved from active duty and such action cannot be taken on the basis of a request from this officer's parents. However, Lieutenant Seeds may be advised, if he so desires, to submit an application in accordance with Section II or III of Circular 485, War Department, 1944, for relief from active duty.

Sincerely yours,

WM. F. PEARSON,
Colonel, General Staff Corps,
Liaison.

Dear Mr. and Mrs. Seeds:

I enclose herewith a copy of a letter which I have just received from Colonel Wm. F. Pearson, our Army Liaison Officer, whom I contacted after I received your letter of February 3, which was forwarded to me by Mr. Anson Smith.

SUBJECT: Request for transfer.

TO: Commanding General, Second Air Force, Colorado
Springs, Colorado.
THRU: Commanding General, 16th Wing, Biggs Field,
El Paso, Texas.

1. Request that I be transferred to an Army Air Force Installation near my home in Hilliards, Franklin County, Ohio, for the following reasons:

1. My two brothers have been killed in action in the European Theatre which has caused my parents to worry over my welfare to the extent that it has seriously impaired their health.

2. I believe if I were assigned nearer my home it would enable me to make frequent visits, which I know would aid my parents to overcome their grief and anxiety.

3. I have served for approximately eighteen months in the European Theatre as a fighter pilot.

4. While I realize that transfers are only made at the convenience of the government, still I believe that the circumstances in my particular case warrant this request.

5. Affidavits from The Merchants & Farmers Bank Co., and J. W. Reason, M.D., both of Hilliards, Ohio are inclosed to substantiate my statements.

CITY OF DUBLIN

INCLUSION POLICY FOR KIA RECOGNITION

Amended February 2013

I. Background

Establishing a definition of "Killed in Action (KIA)" and the necessary eligibility requirements to be included in the KIA memorial are critical to the overall thoroughness of the memorial.

After further review of multiple eligibility criteria for several different memorials, it is recommended that the City of Dublin adopts a definition for "Killed in Action (KIA)" while also establishing a set of criteria to be eligible for inclusion in the KIA memorial.

If the inclusion criterion is met, the individual has the opportunity to be buried on the grounds of the KIA memorial on a first come, first serve basis. The burial spots are in the form of 3 vacant grave sites along with the ability to bury remains under the basalt pavers in the plaza area of the memorial.

II. Definition

Killed in Action (KIA) can be defined as a casualty classification generally used by militaries to describe the deaths of their own forces at the hands of hostile forces. The United States Department of Defense says that those declared KIA need not have fired their weapons, but have been killed due to hostile attack.

III. Inclusion Criteria

In order for a Nominee to be included in the KIA Memorial, the Nominee must meet all the following criteria:

- A.) Killed in Action (KIA) as determined by the military. A certified Report of Incident, which is issued for all KIA by the military, must be submitted. If a certified Report of Incident is not available, then other records listed below may be considered.
 - a. Telegram/letter
 - b. Newspaper article
 - c. Death Certificate
 - d. History Book
 - e. Obituary from newspaper, Internet
 - f. Department of Defense data
 - g. Internet or print records from museums, libraries, military, church organizations (Such as the National Personnel Records Center and the Department of Defense).

- B.) Died during a period of action/invasion/conflict. This includes the following, but is not limited to: World War I, World War II, Korea, Vietnam, Desert Storm, Enduring Freedom, Desert Shield, Somalia, Granada, Operation Just Cause, and Operation Iraqi Freedom. Friendly fire is recognized as KIA.

- C.) A certified Home of Record, birth certificate or proof of residence must list Dublin, Ohio. This includes the community of Washington Township and the former Village of Dublin, Ohio. Exception may be made if the Nominee attended Dublin City Schools.

Proof of Dublin Residency

A copy of at least one of the following is required to prove that the Nominee lived in Dublin.

- a. Birth Certificate
- b. Newspaper of Birth Announcement
- c. Hospital Records
- d. Ohio Drivers License
- e. Certified Home of Record/enlistment paperwork
- f. Dublin private or public school records/identification
- g. City records
- h. School yearbooks, etc.

IV. Nomination Process

Nominations for inclusion may be submitted to Dublin City Council through the City Clerk's Office. City Council will consider requests for inclusion at any time. Names of individuals approved for inclusion in the memorial will be engraved approximately 30 days prior to Memorial Day and 30 days prior to Veterans Day.

V. Determination of Dublin City Council

If the eligibility criteria are not met, Dublin City Council may, in its sole judgment, select to add additional individual names to the memorial. Additionally, individuals not meeting the criteria are eligible for memorial stones at the *Grounds of Remembrance*.
