

SOCCER FIELD USE POLICY

Purpose

The City of Dublin recognizes the considerable benefits of providing a variety of quality recreational youth soccer programs, as they promote healthy childhood development and a heightened sense of community. To maximize these benefits, the City invests in resources necessary for positive, physical, psychological and social development across a broad spectrum of soccer activities.

Resource allocation is a key principle in the city's decision making process as it supports youth soccer programs for its residents. On a finite budget, the city's responsibility is to balance the use of public resources in a manner that maximizes service to the greatest number of City residents and generates optimal benefit to the overall needs of the community.

This policy establishes the guiding principles, requirements and procedures that govern the allocation and use of the City of Dublin soccer fields.

Priority of Use

The city's primary obligation to youth soccer activities is to first serve Dublin and Dublin City School District (DCSD) residents participating in the general recreational level of play for ages U4 and up. In appreciation of the long standing relationship between the City and the Dublin Soccer League (DSL), the City recognizes the DSL as the sole provider of general recreation youth soccer activities. General recreational youth soccer activities are identified as those that include common public use by City residents, recreational league play, recreational camps, clinics and other City approved activities.

General recreation soccer league play is recognized by, but not limited to, the following criteria:

- The providing organization is a member of the United States Soccer Association, or other City approved soccer association, is an Ohio non-profit corporation, has received tax-exempt status from the IRS, files tax returns and maintains compliance with IRS requirements as a tax-exempt entity, and is community-focused;
- Teams are formed by the organization without the use of exclusionary tryouts and participation is for the inclusion of all levels of skills and abilities;
- Individual teams are coached by unpaid volunteers that may or may not have participants within the program;
- No league games are played against teams from any competitive or semi-competitive league including, but not limited to, Mid-Ohio Select Soccer League, Ohio Champions League, Buckeye Premier Select Soccer League or other competitive leagues;
- All league games are played within the corporate limits of the City of Dublin, with the exception of recreation teams that participate in the Middle School Soccer Association and the High School Soccer Association.

Accommodations for non-residents, competitive and semi-competitive league play, private instructional activities, for-profit organizations, non-Dublin based organizations, competitive tryouts that are associated directly or indirectly with an organized group are considered secondary to the City's priority. The City recognizes the value of various offerings to the community; however, accommodations for secondary activities will only be made if additional resources are available subsequent to the needs of the general recreation activities being met. To support this principle, the City will issue permits to organizations providing competitive and semi-competitive soccer league play for teams consisting only of players ages U8 and up.

Requests by organizations to provide secondary types of activities for soccer field use will be considered based on but not limited to affirmation of the following:

- Recreational scope (i.e.: level of play/competition)
- Residency status of participants
- Population to be served
- Local economic influence
- Exclusivity of participation
- Organizational make-up (i.e.: private, public, for-profit, non-for-profit, etc.)
- Other City-endorsed service/program schedules
- Participant fees and financial proceeds (i.e.: fund raising, profitability, etc.)
- Compliance with Federal, State and City Laws/Ordinances
- Existing City Agreements/Contracts and other commitments to community stakeholders/partners
- Facility maintenance schedules (i.e.: turf management practices, renovations, etc.)
- Intended use of requested resources and potential site impacts
- Risk/Liability concerns, including background checks of organization representatives
- Costs and availability of City services required
- Compliance with City policies
