

CRICKET FIELD USE POLICY

Purpose

The City of Dublin recognizes the considerable benefits of providing a variety of quality recreational cricket programs, as they promote healthy development and a heightened sense of community. To maximize these benefits, the City invests in resources necessary for positive, physical, psychological and social development across a broad spectrum of cricket activities.

Resource allocation is a key principle in the city's decision-making process as it supports youth and adult cricket programs for its residents. On a finite budget, the city's responsibility is to balance the use of public resources in a manner that maximizes service to the greatest number of City residents and generates optimal benefit to the overall needs of the community.

This policy establishes the guiding principles, requirements, procedures and fees that govern the allocation and use of the City of Dublin fields designated for cricket.

Priority of Use

The city's primary obligation to accommodating cricket activities is to first serve Dublin residents and Dublin City School District (DCSD) residents participating in the general recreational level of play. The City has established the Dublin Cricket Club and Columbus Cricket Club as the preferred providers of general recreational cricket leagues and activities. The Dublin Cricket Club and Columbus Cricket Club will collaborate with Dublin Youth Athletics to promote and organize youth cricket leagues as a part of our community recreation program.

Recreational cricket league play is recognized by the following criteria:

- The Dublin-based organization is an Ohio non-profit corporation, has received tax-exempt status from the IRS, files all relevant tax returns, maintains compliance with IRS requirements as a tax-exempt entity and is community-focused;
- Teams are formed by the organization without the use of exclusionary tryouts and participation and provides for the inclusion of all levels of skills and abilities;
- Individual teams are coached by unpaid volunteers that may or may not have participants within the program;
- No league games are played against teams from any competitive or semi-competitive leagues;
- All league games are played within the corporate limits of the City of Dublin. (Exceptions may apply for upper age groups.)

Accommodations for non-residents, competitive and semi-competitive teams/leagues, private instructional activities, for-profit organizations, non-Dublin based organizations, competitive tryouts that are associated directly or indirectly with an organized group are considered secondary to the City's priority. The City recognizes the value of various offerings to the community; however, accommodations for secondary activities and leagues will only be made if additional resources are available providing that the needs of the general recreation activities

are met. To support this principle, the City will issue permits to other organizations and teams for competitive and semi-competitive level of play as resources are available.

Requests by organizations to provide secondary types of activities for cricket field use will be considered based on but not limited to affirmation of the following:

- Recreational scope (i.e.: level of play/competition)
- Residency status of participants
- Population to be served
- Local economic influence
- Exclusivity of participation
- Organizational make-up (i.e.: private, public, for-profit, non-for-profit, etc.)
- Other City-endorsed service/program schedules
- Participant fees and financial proceeds (i.e.: fund raising, profitability, etc.)
- Compliance with Federal, State and City Laws/Ordinances
- Existing City Agreements/Contracts and other commitments to community stakeholders/partners
- Facility maintenance schedules (i.e.: field management practices, renovations, etc.)
- Intended use of requested resources and potential site impacts
- Risk/Liability concerns, including background checks of organization representatives
- Costs and availability of City services required
- Compliance with City policies
