

Activities at Camp

Activities at Camp: Dublin summer camps continue to provide daily programming to our more than 700 campers, based on the importance of health and wellness within our community. Camp staff are required to provide daily programming that promotes a foundation for health and wellness through sports and games, arts and crafts, outdoor education/science/nature, camp clubs, and character education. Camp staff encourage children to participate in all camp activities and try to motivate them to participate in active play for at least 60 minutes per day.

Sunscreen Application

Please help or encourage your child to apply sunscreen prior to coming to camp as we go outdoors early in the morning. Camp counselors are required to apply or assist in the application of sunscreen for each camp participant (unless the participant's legal guardian has indicated on the online Health Care Form otherwise) at various increments between the hours of 9am-4pm. Based upon research and recommendations from the American Cancer Society, the camp staff follow strict guidelines as to when children apply sunscreen regularly throughout the day.
