Re: Resolution No. 36-19 – Amendment to Services Agreement for NAPA On-site Parts/Equipment Center

Summary

Resolution 36-19 authorizes the City Manager to execute a Services Agreement Amendment extending a current agreement with Genuine Parts Company, dba NAPA Auto Parts ("NAPA") to continue to provide an on-site parts center at 6351 Shier-Rings Road. Council previously approved a resolution authorizing the use of the City-owned space at 6351 Shier-Rings Road as an on-site NAPA store in 2013 as well as authorizing a Services Agreement with NAPA for operation of the store. This on-site NAPA store is not open to the public. The operation of the NAPA store has proven successful and includes a full-time NAPA employee to handle all parts research, acquisition, distribution and inventory control, freeing up time for the City's technicians and Fleet Administrator.

The original agreement was authorized pursuant to Section 37.04 of the Dublin Code of Ordinances, which authorizes the City Manager to obtain goods and services through cooperative purchasing programs. The City is a member of Sourcewell, formerly known as the National Joint Powers Alliance ("NJPA"), a national municipal contracting agency that competitively bids and awards contracts for equipment, goods, and services. Sourcewell awarded NAPA a new contract to provide vehicle parts and fleet management services to participating members on January 23, 2019. The proposed amendment updates the references to this new Sourcewell/NAPA contract and extends the current agreement between NAPA and Dublin to January 25, 2023.

Recommendation

Staff recommends adoption of Resolution 36-19 authorizing the City Manager to enter into an Amendment to the Services Agreement with APA for an on-site parts/equipment supply center located at 6351 Shier-Rings Rd. Should you have any questions related to this matter, please contact Darryl Syler at 614-410-4757 (desk) or 614-725-6394 (mobile).

IV. Payment.

NAPA shall invoice Dublin for all Inventory purchased pursuant to this Agreement on a monthly basis according to the pricing plan below. Dublin agrees to pay the entire amount of all statements received from NAPA by the 25th day of the month following receipt of any such statement.

The overall goal of Dublin's pricing plan is to achieve a ten percent (10%) net profit for NAPA (the "Net Profit Target") by adjusting the pricing of two elements:

- (a) *Product Costs.* The pricing of the Inventory to be supplied to Dublin by NAPA pursuant to this Agreement. Product Costs shall be further divided into "NAPA Product Costs," which is the pricing of NAPA supplier manufactured products, and "Non-NAPA Product Costs," which is the pricing of products which have not been manufactured by NAPA suppliers but which have been acquired for Dublin by NAPA pursuant to this Agreement.
- (b) *Operational Costs.* Any and all costs and expenses associated with the operation of the On Site Store(s), including, but not limited to, vehicle gas and maintenance costs, salary and benefits payable to NAPA employees at the On Site Store(s), worker's compensation benefits and insurance, unemployment insurance, personal property insurance for the On Site Store(s) and Inventory, any deductible for losses covered under the personal property, automobile liability, or general liability insurance policies of NAPA, and all equipment supplied by NAPA. An example of a profit and loss statement reflecting such costs and expenses is attached hereto as Exhibit B.

(1) PRICING PLAN SUMMARY

NAPA Product Costs	Billed to Dublin at a 10% gross profit rate (gross profit is store acquisition cost divided by .90)
Non-NAPA Product Costs	Billed to Dublin at a 10% gross profit rate (gross profit is acquisition cost divided by .90)
Operational Costs	Billed to Dublin at cost
Net Profit Target	10% net profit for NAPA

Both NAPA Product Costs and Non-NAPA Product Costs shall be set by NAPA to yield a gross profit of ten percent (10%). Gross profit is calculated by dividing the acquisition cost by .90. Operational costs will be charged to Dublin at cost, with all such charges for Operational Costs to be included in Dublin's monthly billing statement. Dublin will be billed at the end of each month for operational costs on an "in arrears" basis.

In addition, NAPA may use any sub-contractor for the procurement of "outside" purchases or services (i.e., those parts or services not traditionally stocked or performed by NAPA), and Dublin will be billed an additional charge for any such purchases so as to yield NAPA a ten percent (10%) gross profit on such purchases.

V. Relationship of the Parties. The parties acknowledge and agree that NAPA is an independent contractor and is not an agent or employee of Dublin. To the fullest extent permitted by law, NAPA shall indemnify, defend and hold harmless Dublin, its officers, officials, employees or any combination thereof, from and against claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of the acts or omissions of NAPA, provided that such claim, damage, loss or expenses is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of property (other than the work itself) including loss of use resulting therefrom, but only to the extent caused the negligent acts or omissions of NAPA, any subconsultant(s) of NAPA, its agents, or anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim damage, loss or expense is caused in part by a party indemnified hereunder.
