

HardiePlank®

Sleek and strong, HardiePlank® lap siding is not just our best-selling product – it's the most popular brand of siding in America.

With a full spectrum of colors and textures, homeowners can enjoy protection from the elements and the versatility to make their dream home a reality. From Victorians to Colonials, HardiePlank lap siding sets the standard in exterior cladding.

Grille Types

Andersen windows and doors are offered with the following grille type options. See your local dealer for availability.

Full Divided Light

Give your window an authentic look with grilles that are permanently applied to the interior and exterior of your window with an aluminum spacer between the glass.

An Energy Spacer option is also available to help achieve ENERGY STAR® certification in the Northern climate zone (A-Series only.)

Simulated Divided Light

Simulated divided light offers permanent grilles on the exterior and a choice of permanent or removable wood interior grilles, with no spacer between the glass.

Removable Interior Grille

Removable interior wood grilles are secured via a fastener or grille clip and can be removed enabling you to easily clean the glass surface.

Not available on 100 Series products.

TILT-WASH DOUBLE-HUNG WINDOWS

Andersen® 400 Series tilt-wash double-hung windows are engineered to provide outstanding performance and style. Combined with the tilt-to-clean sash, it's easy to see why it's our best selling double-hung. Exteriors use three different levels of protection from the elements. On the inside you have the choice of natural pine or low-maintenance white, dark bronze or black* finish. For added style there is a wide range of grille patterns and hardware options.

DURABLE

- Virtually maintenance-free
- Perma-Shield® exteriors never need painting and won't peel, blister, flake or corrode**
- Frame exterior is protected by a tough vinyl cover that resists dents and repels water and provides long-lasting protection
- Available with Stormwatch® protection for coastal areas

ENERGY EFFICIENT

- Weather-resistant construction for greater comfort and energy efficiency
- Weatherstripping is designed to seal out drafts, wind and water
- Variety of Low-E4® glass options are available to help control heating and cooling costs in any climate
- Many 400 Series tilt-wash double-hung windows have options that make them ENERGY STAR® v. 6.0 certified throughout the U.S.

BEAUTIFUL

- Seven exterior color options
- Natural pine, white, dark bronze or black* interiors
- Add style with grilles, exterior trim or patterned glass

EXTERIOR COLORS

*Dark Bronze and Black interiors are only available with Dark Bronze and Black exteriors respectively. See your Andersen dealer for availability. **Visit andersenwindows.com/warranty for details. "ENERGY STAR" is a registered trademark of the U.S. Environmental Protection Agency.

FAQs

Reviews

Steadfast Color

Colors are engineered to stay true over time and come with a 30-Year Fade & Stain warranty. Choose from the widest range of rich hues.

Four-Sided Protection

Each board is capped on all four sides, all the way down into the grooves, Capping is made with 100% synthetic materials for total immunity against moisture.

Say No to Stains

The easy-to-clean surface thwarts stains, so oils, sauces, and other household products won't cause any permanent damage.

Install the Easy Way

Installations go more smoothly thanks to strong fasteners that don't require pre-drilled holes. The result is a deck with a flawless, fastener-free surface.

Solid Underfoot Feel

A flat, full profile bottom offers strength and a more solid feel underfoot, similar to traditional lumber.

RAILING

Premier Railing

Get the historic beauty of a Victorian profile combined with the strength and durability of modern, wood-free technology.

Colors

Metal Roofing panels are available in a wide spectrum of color options. These rich and vibrant colors are produced with either Kynar 500® or Hylar 5000® resins, which provide superior color retention, and allow us to offer non-prorated coating warranties for most applications. Please contact us for more information and for a more accurate printed color booklet.

[Virtual Roof Builder](#)

See how available colors will look with the [COOLR Virtual Roof Builder](#).

[Print a PDF version of available colors](#)

*Available at a slight price premium.

Colors shown are matched as accurately as possible, but may vary slightly from finished product. Coating warranty varies for Regal Red, Matte Black, Copper, Silver, Champagne, and Pre-Weathered Galvalume. Metallics are warranted for chip, crack, and peel only. Please call for details.

LANDMARK®

For homeowners seeking true peace of mind, Landmark® shingles are the high-quality, reliable choice for beautifying and protecting a home. With a dual-layered design that emulates the dimensionality of true wood shake, Landmark asphalt shingles offer the heaviest weight and widest array of color options in their class, allowing you to create or re-create the ideal look for your home with confidence. Backed by a 100+ year legacy of trusted manufacturing performance, all Landmark shingles include CertainTeed's industry-leading, lifetime-limited warranty.

- Certified as meeting the industry's toughest third-party (UL) manufacturing quality standards
- Dual-layered construction provides extra protection from the elements
- Ten year StreakFighter® algae-resistance warranty
- Class A fire-resistance rating

Due to variation in computer monitors and printers, the color samples seen on your computer screen may not exactly match the corresponding color. To verify actual product color, ask to see the actual product, available through a CertainTeed contractor or distributor.
