Re: Request to Remove Legislation from the Table:
Ordinance 12-19 – Economic Development Agreement with Nexient

Background

At the April 22, 2019 City Council meeting, Economic Development requested the tabling of Ordinance 12-19, an Economic Development Agreement with Nexient.

Before Second Reading could occur, lease negotiations on the preferred office location fell through, and the company was not able to move forward with pursuing the incentives without having secured proper real estate.

The company has spent the last few months touring office spaces, both in and outside of Dublin. They have recently identified a preferred space within Dublin, and are currently negotiating a lease, pending incentive approval.

Nexient is ready to move forward with the EDA, which was introduced to Council on April 8, 2019. The original memo, EDA and Ordinance are attached for reference.

Recommendation

Staff recommends Council remove Ordinance 12-19 from the table, and consider the EDA legislation for Second Reading at its August 12, 2019 meeting. Please contact Colleen Gilger with any questions you may have.

Re: Ordinance 12-19 – Economic Development Agreement with Nexient

Background

Economic Development staff has been in discussions with Nexient about the location of a new office in the Columbus Region. The company conducted an extensive search among multiple Midwest metro areas for this new project location. Once the company selected the Columbus Region, it conducted a real estate search in Dublin and several other communities in Central Ohio.

Nexient, founded in 2009 and headquartered in Silicon Valley, is an Agile development firm specialized in 100% US-based software product development teams. The company has other development and fulfillment offices in Ann Arbor and Lansing, MI, and Kokomo, IN.

The project would result in the creation of 50 jobs with an average salary of \$75,000 by December 2019, with the addition of 50 jobs each year through 2022 when the company reaches 200 employees. The company would be required to sign a three-year lease within the City of Dublin for the agreement to take effect. Additionally, in order to qualify for the two final years of the incentive agreement, the company would be required to renew a lease for a minimum of three years.

The Economic Development Agreement proposed to Nexient is a five-year, 20% Performance Incentive on withholdings collected for all employees (2020-2024), capped at \$300,000 for the term of the agreement. The City expects to net approximately \$1.28 million over the five-year lease term.

On March 26, 2019, the State of Ohio Tax Credit Authority approved a 2.1 percent, nine-year tax credit worth \$2.6 million to Nexient to help locate the company in Ohio.

Recommendation

Staff recommends Council passage of Ordinance 12-19 at the second reading/public hearing on April 22, 2019. Please contact Colleen Gilger with any questions you may have.

ECONOMIC DEVELOPMENT AGREEMENT

THIS ECONOMIC DEVELOPMENT AGREEMENT (the “*Agreement*”) is made and entered into this _____ day of _____, 2019 (the “*Effective Date*”), by and between the CITY OF DUBLIN, OHIO (the “*City*”), a municipal corporation duly organized and validly existing under the Constitution and the laws of the State of Ohio (the “*State*”) and its Charter, and NEXIENT LLC, a Delaware limited liability company (the “*Company*” and together with the City, the “*Parties*”), under the circumstances summarized in the following recitals.

RECITALS:

WHEREAS, consistent with its Economic Development Strategy (the “*Strategy*”) approved by Dublin City Council Resolution No. 07-94 adopted on June 20, 1994, and the updated Strategy approved by Dublin City Council Resolution No. 30-04 adopted on July 6, 2004, the City desires to encourage commercial office development and create and preserve jobs and employment opportunities within the City; and

WHEREAS, based on the results of the Company’s recent comprehensive examination of workforce needs, and induced by and in reliance on the economic development incentives provided in this Agreement, the Company desires to lease a facility to locate an office and its associated operations and workforce, all within the City; and

WHEREAS, pursuant to Ordinance No. ____-19 passed on _____, 2019 (the “*Ordinance*”), the City has determined to offer the economic development incentives described herein to induce the Company to lease a facility for the location of an office and its associated operations and workforce, all within the City, which will result in the creation of new jobs and employment opportunities to improve the economic welfare of the people of the State of Ohio and the City, all as authorized in Article VIII, Section 13 of the Ohio Constitution; and

WHEREAS, the City and the Company have determined to enter into this Agreement to provide these incentives in order to induce the Company to lease a facility to locate an office and its associated operations and workforce, all within the City;

NOW THEREFORE, the City and the Company covenant, agree and obligate themselves as follows:

Section 1. Company’s Agreement to Lease a Facility to Locate an Office and its Associated Operations and Workforce Within the City.

(a) In consideration for the economic development incentives to be provided by the City herein, the Company agrees that it will lease a facility which is located within the City to locate an office and its associated operations and workforce, all within the City, and all consistent with the terms of this Agreement. The Company expects to create two hundred (200) new employee positions within the City by December 31, 2022. The total estimated payroll withholdings for the new employee positions is estimated to be One Million Three Hundred Forty Thousand Four Hundred Sixteen and 00/100 Dollars (\$1,340,416.00) over the term of this Agreement.

(b) The Company agrees that the City’s obligation to remit payments pursuant to Section 2 of this Agreement shall be contingent upon (i) the Company delivering to the City a photocopy of a fully executed agreement evidencing the Company’s lease of a minimum 10,000 sq. ft. facility within the City for a minimum term of three (3) years (the “*Lease Agreement*”), which will accommodate the location of the Company’s associated operations and workforce and (ii) such other conditions as are set forth in Section 2; *provided, however*, and notwithstanding any provision herein to the contrary, if the Company shall, after having acted in good faith, fail to execute the Lease Agreement within the period set forth in subsection 3(s)(i), (iii) this Agreement will terminate without such failure constituting a breach by the Company, (iv) the City’s obligation to remit any Annual Incentive Payments or Bonus Annual Incentive Payments will be terminated and (v) the Company will owe no penalties to the City as a result of such failure.

Section 2. City’s Agreement to Provide Incentives.

(a) General. In consideration for the Company’s agreement to execute the Lease Agreement to lease a facility and locate its associated operations and workforce, and to create new jobs and employment opportunities, all within the City, the City agrees to provide economic development incentives to the Company in accordance with this Section.

(b) Workforce Creation Incentive.

(i) Calculation of Actual Payroll Withholding Taxes. On or before March 15 of each of the years 2021 through 2023, and provided that the requirements of subsection 2(b)(vi) are satisfied, also on or before March 15 of each of the years 2024 and 2025, the City shall calculate the actual payroll withholding taxes collected and received during the then preceding calendar year and in respect of that preceding calendar year by the City from all Employees (as defined below). For purposes of that calculation, the Company acknowledges and agrees that the total amount of actual payroll withholding taxes in respect of any calendar year shall be determined based solely upon the amount of payroll withholding tax payments actually received by the City from the Company during that calendar year. The Company further acknowledges and agrees that any amount received by the City in respect of any calendar year, but following the conclusion of that calendar year, will not be considered in the total amount of actual payroll withholding taxes for that calendar year. The City reserves in its sole discretion the right to waive this limitation. For purposes of this Section 2, “*Employees*” shall include only those individuals employed by the Company and working within the City.

(ii) Information Relating to Employees. The Company agrees that, in accordance with the City’s codified ordinances, as may hereafter be amended from time to time (the “*Dublin City Code*”), the annual payroll reconciliation and related W-2 forms relating to its Employees will be provided to the City prior to February 28 of each calendar year.

(iii) Federal Employer Identification Number. The Company’s Federal Employer Identification Number is _____. The Company agrees that if the Federal Employer Identification Number changes at any time during the term of this Agreement, the Company

will notify the City of such change, including the new Federal Employer Identification Number, within thirty (30) days of the occurrence of such change.

(iv) Annual Incentive Payments to the Company. Subject to the Company’s compliance with the requirements set forth in subsection 2(c), if the actual payroll withholding taxes collected and received by the City pursuant to subsection 2(b)(i) during the then preceding calendar year and in respect of that preceding calendar year from all Employees, net of refunds (such amount being referred to as the “*Actual Withholdings*”), equal or exceed the Target Withholdings (as defined in subsection 2(b)(v)) for that preceding calendar year, the City shall, on or before April 15 of the then current calendar year, pay to the Company, solely from nontax revenues (as defined in subsection 2(e)), an amount equal to the product of (A) the Actual Withholdings for that preceding calendar year multiplied by (B) twenty percent (20%) (with each such product being referred to as an “*Annual Incentive Payment*”); *provided, however*, that (1) the City shall not be required pursuant to this subsection 2(b) to remit an Annual Incentive Payment to the Company in excess of the Annual Cap (as defined in subsection 2(b)(v)) in any calendar year, and (2) the aggregate amount of all Annual Incentive Payments remitted pursuant to this subsection 2(b) by the City to the Company shall not exceed One Hundred Sixty-Five Thousand and 00/100 Dollars (\$165,000.00), and if the requirements of subsection 2(b)(vi) are satisfied, the sum of all Annual Incentive Payments and Bonus Annual Incentive Payments remitted pursuant to this subsection 2(b) by the City to the Company shall not exceed Three Hundred Thousand and 00/100 Dollars (\$300,000.00).

(v) Target Withholdings and Annual Cap. The Target Withholdings and Annual Cap for each of the calendar years 2020 through 2022, and 2023 and 2024, shall be as follows:

<u>Calendar Year</u>	<u>Target Withholdings</u>	<u>Annual Cap</u>
2020	\$151,875	\$40,000
2021	230,672	60,000
2022	311,439	65,000
2023 ⁽¹⁾	319,225	65,000
2024 ⁽¹⁾	327,205	70,000

⁽¹⁾ Payments in respect of calendar years 2023 and 2024 are also subject to subsection 2(b)(vi).

(vi) Bonus Annual Incentive Payments and Related Annual Cap. The City agrees that if the Company provides to the City on or before June 30, 2022 a fully executed copy of an agreement which either (A) extends the Lease Agreement for a minimum additional term through at least December 31, 2024 or (B) obligates the Company to a lease space at another location within the City for a minimum additional term through at least December 31, 2024, then the Company shall be eligible to receive an Annual Incentive Payment (each a “*Bonus Annual Incentive Payment*”) in respect of each of the calendar years 2023 and 2024 which will be calculated at the same time and in the same manner as described in subsection 2(b)(iv) and paid in accordance with this Section 2; provided that each Bonus Annual Incentive Payment shall be subject to an Annual Cap (as defined in subsection 2(b)(v)) in each such calendar year.

(vii) Forfeiture of Right to Receive Workforce Creation Incentive Payment. The Company agrees and acknowledges that the Annual Incentive Payments and the Bonus

Annual Incentive Payments provided for in subsection 2(b) are being made by the City to the Company in consideration for the Company's agreement to execute the Lease Agreement and lease a facility to locate an office and its associated operations and workforce, and to create jobs and employment opportunities, all within the City. The Company further agrees that if the Target Withholdings requirement is not met for any given calendar year as set forth in subsection 2(b)(v), the City shall not be obligated to make an Annual Incentive Payment or a Bonus Annual Incentive Payment, as the case may be, to the Company for the calendar year in respect of which the Target Withholdings requirement was not satisfied. Failure to satisfy the Target Withholdings requirement in respect of any one calendar year does not prohibit the Company from receiving an Annual Incentive Payment or a Bonus Annual Incentive Payment, as the case may be, for any subsequent calendar year in respect of which the Target Withholdings requirement is satisfied.

(c) Filing of Municipal Income Tax Returns and Remission of Related Taxes.

(i) The Company agrees that it shall timely (A) file directly with the City all municipal income tax returns and (B) remit directly to the City all municipal income tax payments, each as required by the Dublin City Code. While Ohio law currently permits the Company to file its municipal income tax returns and remit its municipal income tax payments directly through the Ohio Business Gateway, the Company acknowledges that if in respect of any of the tax years 2020 through 2024 (inclusive) the Company either (C) files a related municipal income tax return or (D) remits a related municipal income tax payment, in either case directly with the Ohio Business Gateway instead of the City, then notwithstanding subsection 2(c)(ii), the Company shall forfeit its right to receive and the City shall not be obligated to remit any payment which the City might otherwise be required to pay pursuant to subsection 2(b)(iv) (each applicable payment being referred to as a "*Required Payment*") in respect of that tax year.

(ii) Not earlier than fifteen (15) days preceding the date on which the City is required to make a Required Payment to the Company, the City shall determine whether the Company is in full compliance with its obligation to remit municipal income taxes to the City pursuant to the Dublin City Code. If the City reasonably determines that the Company is not in full compliance, the City shall not be obligated to make the Required Payment on the required payment date and will promptly provide written notification of such determination to the Company. If within sixty (60) days following the date of the City's written notification the City receives a payment from the Company which the City reasonably determines will cause the Company to be in full compliance with its municipal income tax obligations pursuant to the Dublin City Code (including any applicable interest and penalties), the City will within fifteen (15) days of receipt of such payment remit to the Company the Required Payment. If, however, the Company fails to timely remit sufficient payment to the City in accordance with the preceding sentence, the City may in its sole discretion determine that the City's obligation to remit such Required Payment is voided and that such Required Payment will not be made, and will promptly provide written notification to the Company of such determination.

(d) Method of Payment. The payments to be paid to the Company as provided in this Section 2 shall be made by the City to the Company by electronic funds transfer or by such other manner as is mutually agreed to by the City and the Company.

(e) City's Obligation to Make Payments Not Debt; Payments Limited to Nontax Revenues. Notwithstanding anything to the contrary herein, the obligations of the City pursuant to this Agreement shall not be a general obligation debt or bonded indebtedness, or a pledge of the general credit or taxes levied by the City, and the Company shall have no right to have excises or taxes levied by the City, the State or any other political subdivision of the State for the performance of any obligations of the City herein. Consistent with Section 13 of Article VIII, Ohio Constitution, any payments or advances required to be made by the City pursuant to this Section 2 shall be payable solely from the City's nontax revenues and on a subordinated basis to the payment of debt service charges as may hereafter be payable on securities of the City which are payable from the City's nontax revenues. Further, since Ohio law limits the City to appropriating monies for such expenditures only on an annual basis, the obligation of the City to make payments pursuant to this Section 2 shall be subject to annual appropriations by the City Council and certification by the Director of Finance of the City as to the availability of such nontax revenues. For purpose of this Agreement, "nontax revenues" shall mean, all moneys of the City which are not moneys raised by taxation, to the extent available for such purposes, including, but not limited to the following: (i) grants from the United States of America and the State; (ii) payments in lieu of taxes now or hereafter authorized to be used for the purposes by State statute; (iii) fines and forfeitures which are deposited in the City's General Fund; (iv) fees deposited in the City's General Fund from properly imposed licenses and permits; (v) investment earnings on the City's General Fund and which are credited to the City's General Fund; (vi) investment earnings of other funds of the City that are credited to the City's General Fund; (vii) proceeds from the sale of assets which are deposited in the City's General Fund; (viii) rental income which is deposited in the City's General Fund; and (ix) gifts and donations.

Section 3. Miscellaneous.

(a) Assignment. This Agreement may not be assigned without the prior written consent of all non-assigning Parties.

(b) Binding Effect. The provisions of this Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns.

(e) Economic Development Assistance Certification. The Company has made no false statements to the City in the process of obtaining approval of the incentives described in this Agreement. If any representative of the Company has knowingly made a false statement to the City

to obtain the incentives described in this Agreement, the Company shall be required to immediately return all benefits received under this Agreement pursuant Ohio Revised Code Section 9.66(C)(2) and shall be ineligible for any future economic development assistance from the State, any State agency or a political subdivision pursuant to Ohio Revised Code Section 9.66(C)(1). The Company acknowledges that any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by a fine of not more than \$1,000 and/or a term of imprisonment of not more than six months

(f) Entire Agreement. This Agreement constitutes the entire Agreement between the Parties on the subject matter hereof and supersedes all prior negotiations, agreements and understandings, both written and oral, between the Parties with respect to such subject matter. Except as otherwise provided in this Agreement, in the event of any default in or breach of this Agreement, or any of its terms or conditions, by any Party hereto, such defaulting Party shall, upon written notice from any non-defaulting Party, proceed immediately to cure or remedy such default or breach, and, in any event, within thirty (30) days after receipt of such notice. In the event such default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting Party shall upon written notice from any non-defaulting Party commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach. In case such action is not taken or not diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the aggrieved non-defaulting Party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach.

(h) Executed Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to constitute an original, but all of which together shall constitute but one and the same instrument. It shall not be necessary in proving this Agreement to produce or account for more than one of those counterparts.

(i) Extent of Covenants; No Personal Liability. All covenants, obligations and agreements of the Parties contained in this Agreement shall be effective to the extent authorized and permitted by applicable law. No such covenant, obligation or agreement shall be deemed to be a covenant, obligation or agreement of any present or future member, officer, agent or employee of the City or the Company other than in his or her official capacity, and neither the members of the legislative body of the City nor any City or Company official executing this Agreement shall be liable personally under this Agreement or be subject to any personal liability or accountability by reason of the execution thereof or by reason of the covenants, obligations or agreements of the City and the Company contained in this Agreement.

(j) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio without regard to its principles of conflicts of laws. All claims, counterclaims, disputes and other matters in question between the City, its agents and employees, and

the Company, its employees and agents, arising out of or relating to this Agreement or its breach will be decided in a court of competent jurisdiction within Franklin County, Ohio.

(k) Legal Authority. The Parties respectively represent and covenant that each is legally empowered to execute, deliver and perform this Agreement and to enter into and carry out the transactions contemplated by this Agreement. The Parties further respectively represent and covenant that this Agreement has, by proper action, been duly authorized, executed and delivered by the Parties and all steps necessary to be taken by the Parties have been taken to constitute this Agreement, and the covenants and agreements of the Parties contemplated herein, as a valid and binding obligation of the Parties, enforceable in accordance with its terms.

(l) Limit on Liability. Notwithstanding any clause or provision of this Agreement to the contrary, in no event shall the City or the Company be liable to each other for punitive, special, consequential, or indirect damages of any type and regardless of whether such damages are claimed under contract, tort (including negligence and strict liability) or any other theory of law.

The failure of any Party to insist at any time upon the strict observance or performance of any of the provisions of this Agreement or to exercise any right or remedy as provided in this Agreement shall not impair any such right or remedy or be construed as a waiver or relinquishment thereof. (q) Severability. If any provision of this Agreement, or any covenant, obligation or agreement contained herein is determined by a court to be invalid or unenforceable, that determination shall not affect any other provision, covenant, obligation or agreement, each of which shall be construed and enforced as if the invalid or unenforceable portion were not contained herein.
