

## **Social Media Policy**

### **Preschool/Youth Camps Flickr Page:**

The City of Dublin Communication and Public Information Department will visit each of our campsite multiple times throughout the summer. When visiting our campsites, they will be taking professional style photos of our camps in action. These photos will be uploaded the City of Dublin's Flickr account.

### **What is Flickr?**

Flickr is a popular photo-sharing and hosting service with advanced and powerful features. It supports an active and engaged community where people share and explore each other's photos. Flickr is a public social media platform, for which all photos are viewable to the public.

The City of Dublin's Communication and Public Information Department (CPI) has been utilizing Flickr for multiple years. CPI has attended and photographed hundreds of events throughout the City of Dublin.

### **Flickr Policy Outline:**

Parents, please note that The City of Dublin Flickr account is a public social media platform, all photos will be available to the public:

1. If you agree to the Preschool/ Youth Photo Release Policy, your child will have the opportunity to take a part in-group photo sessions at camp throughout the summer. These photos will then be uploaded to the City of Dublin's Flickr Account, and viewable to the public.
2. If you do not agree to the Preschool/Youth Photo Release Policy, your child will not be photographed.
3. The City of Dublin's Flickr account is NOT a private group. All photos uploaded to the website are public.
4. Campers and parents **WILL NOT** be tagged in the photos.
5. Comments on the photos and updates posted will be reviewed by the PSY Program Coordinator and removed if deemed inappropriate.
