Re: Ordinance 19-20 Economic Development Agreement with Quantum Health, Inc.

Background

Economic Development staff has been in discussions with Quantum Health, Inc. about the continued investment and expansion of their corporate headquarters in Dublin.

City Council approved an Economic Development Agreement (EDA) with Quantum Health, Inc. on June 24, 2019 for the company's relocation of their headquarters to the City of Dublin from the City of Columbus following a competitive national site selection process. The 2019 EDA resulted in the commitment to relocate 800 existing jobs and add 350 new jobs by 2025, for a total of 1,150 new jobs in Dublin.

Following City Council's approval of the 2019 EDA, the company executed a 10-year lease for the 237,238-square-foot building located at 5240 Blazer Parkway as the new corporate headquarters. The company has already begun to phase employees to the Blazer Parkway site, and had approximately 197 employees working in Dublin as of December 31, 2019.

Since their initial commitment to Dublin, Quantum Health has continued to evaluate their growth plans. The company recently determined that their planned headcount growth significantly exceeds their original projections, and additional real estate is necessary to accommodate the additional growth. For this expansion project, Quantum Health has been conducting their real estate search in Dublin as well as other locations across the country, including cities in western time zones.

The Economic Development Agreement proposed to Quantum Health is a one-time retention and expansion grant of \$175,000 to assist with acquisition and fit-up costs. In consideration of the company's investment commitment, the incentive is contingent upon the company purchasing and occupying a minimum 50,000-square-foot building within City of Dublin corporation limits by December 31, 2021, OR executing a minimum 10-year lease for a similarly-sized facility.

In consideration, Quantum Health agrees to add approximately 300 additional jobs in Dublin by the end of 2023, for a combined total projection of 1,450 jobs by 2025. The City expects to net approximately \$3,973,190 between 2020-2029 for this phase of the project (for a total of \$15,222,440 for the same period, combined with the original agreement).

The State of Ohio is also proposing economic development incentives to Quantum Health to help retain and expand its workforce and investment in Ohio.

THIS ECONOMIC DEVELOPMENT AGREEMENT (the “*Agreement*”) is made and entered into this _____ day of _____, 2020 (the “*Effective Date*”), by and between the CITY OF DUBLIN, OHIO (the “*City*”), a municipal corporation duly organized and validly existing under the Constitution and the laws of the State of Ohio (the “*State*”) and its Charter, and QUANTUM HEALTH, INC., a Delaware corporation (the “*Company*” and together with the City, the “*Parties*”), under the circumstances summarized in the following recitals.

RECITALS:

WHEREAS, consistent with its Economic Development Strategy (the “*Strategy*”) approved by Dublin City Council Resolution No. 56-19 adopted on October 21, 2019, the City desires to encourage commercial office development and create and preserve jobs and employment opportunities within the City; and

WHEREAS, based on the results of the Company’s earlier comprehensive examination of workforce needs, and induced by and in reliance on certain economic development incentives heretofore offered by the City, the City and the Company entered into an Economic Development Agreement dated June 24, 2019 (the “*Original EDA*”) which generally provided that the City would provide certain incentives to the Company in consideration for the Company agreeing to lease a facility to relocate and expand an office and its associated operations and workforce, all within the City; and

WHEREAS, since the execution of the Original EDA, the Company has undertaken a further examination of its workforce needs, and induced by and in reliance on the economic development incentive provided in this Agreement, the Company desires to either lease or purchase a facility to retain and expand its corporate headquarters and its associated operations and workforce, all within the City; and

WHEREAS, pursuant to Ordinance No. ___-20 passed on _____, 2020 (the “*Ordinance*”), the City has determined to offer the economic development incentive described herein to induce the Company to either lease or purchase a facility for the retention and expansion of its corporate headquarters and its associated operations and workforce, all within the City, which will result in the retention of existing and creation of new jobs and employment opportunities to improve the economic welfare of the people of the State of Ohio and the City, all as authorized in Article VIII, Section 13 of the Ohio Constitution; and

WHEREAS, the City and the Company have determined to enter into this Agreement to provide this incentive in order to induce the Company to either lease or purchase a facility to retain and expand its corporate headquarters and its associated operations and workforce, all within the City;

NOW THEREFORE, in consideration of the foregoing, the promises contained herein, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the City and the Company covenant, agree and obligate themselves as follows:

Section 1. Company's Agreement to Lease or Purchase a Facility to Retain and Expand its Corporate Headquarters and its Associated Operations and Workforce Within the City.

(a) In consideration for the economic development incentive to be provided by the City herein, the Company agrees that it will lease or purchase a facility which is located within the City (the "*Facility*") which includes at least 50,000 square feet of usable space and which is of sufficient size to retain and expand its corporate headquarters and the Company's associated operations and workforce, all within the City, and all consistent with the terms of this Agreement. The Company expects to retain One Hundred Ninety-Seven (197) employee positions within the City as of December 31, 2019. The Company, as a part of its Original EDA, expects to create 953 employee positions. In addition, under this Agreement the Company expects to create an additional 300 positions, for a combined total of One Thousand Two Hundred Fifty-Three (1,253) new employee positions within the City by December 31, 2025. The total estimated payroll withholdings for the retained and new employee positions is estimated to be Seventeen Million Two Hundred Twelve Thousand Four Hundred and 00/100 Dollars (\$17,212,400) over a ten-year period ending December 31, 2029.

(b) The Company agrees that the City's obligations to remit the payment pursuant to Section 2 of this Agreement shall be contingent upon (i) the Company delivering to the City either (A) a photocopy of a fully executed agreement evidencing the Company's lease of the Facility within the City (the "*Lease Agreement*"), provided that the term of such Lease Agreement shall commence no later than December 31, 2020 and terminate no earlier than ten (10) years thereafter or (B) such documentation which reasonably demonstrates to the City that the Company has purchased the Facility (the "*Purchase Agreement*"), which in either case, will accommodate the retention and expansion of the Company's corporate headquarters and its associated operations and workforce, (ii) the City issuing to the Company (which issuance will not be unreasonably withheld, delayed or conditioned) a certificate of occupancy (the "*Certificate of Occupancy*") for the Facility, (iii) the Company occupying the Facility and (iv) such other conditions as are set forth in Section 2; *provided, however*, and notwithstanding any provision herein to the contrary, if the Company shall, after having acted in good faith, fail to deliver either the Lease Agreement or the Purchase Agreement, receive the Certificate of Occupancy or occupy the Facility within the respective periods set forth in subsections 3(s)(i), 3(s)(ii) and 3(s)(iii), (v) this Agreement will terminate without such failure constituting a breach by the Company, (vi) the City's obligation to remit the Retention Incentive Payment will be terminated and (vii) the Company will owe no penalties to the City as a result of such failure.

Section 2. City's Agreement to Provide the Incentive.

(a) General. In consideration for the Company's agreement to lease or purchase the Facility and retain and expand its corporate headquarters and its associated operations and workforce, and to retain existing and create new jobs and employment opportunities, all within the City, the City agrees to provide an economic development incentive to the Company in accordance with this Section.

(b) Retention Incentive.

(i) Retention Incentive Payment to the Company. The Company agrees to lease or purchase the Facility and to retain and expand its corporate headquarters and its associated operations and workforce, all within the City. In consideration of the Company's agreement to purchase or lease the Facility and to retain and expand that office and retain and create new jobs and employment opportunities within the City, and subject to the Company's compliance with the requirements set forth in subsection 2(c), the City agrees to provide to the Company a retention incentive payment (the "*Retention Incentive Payment*") in the amount of One Hundred Seventy-Five Thousand and 00/100 Dollars (\$175,000.00), payable to the Company no later than Thirty (30) days following the date on which the City shall have determined that all of the following conditions shall have been satisfied: (A) the Company shall have executed either the Lease Agreement or the Purchase Agreement and provided a photocopy of either that executed Lease Agreement or Purchase Agreement to the City, (B) the City shall have issued a Certificate of Occupancy for the Facility (which issuance will not be unreasonably conditioned, delayed or withheld by the City) and (C) the Company shall have occupied the Facility; *provided* that in no event shall the Retention Incentive Payment be made by the City to the Company prior to February 1, 2021.

(ii) Forfeiture of Right to Receive Retention Incentive Payment. The Company agrees and acknowledges that the Retention Incentive Payment provided for in subsection 2(b)(i) is being made by the City to the Company in consideration for the Company's agreement to lease or purchase the Facility and retain and expand its corporate headquarters and its associated operations and workforce, and to retain existing and create new jobs and employment opportunities, all within the City. The Company further agrees that if the requirements of subsection 2(b)(i) are not satisfied, the City shall not be obligated to remit the Retention Incentive Payment to the Company as required by this subsection 2(b).

(c) Filing of Municipal Income Tax Returns and Remission of Related Taxes.

(i) The Company agrees that it shall timely (A) file directly with the City all municipal income tax returns and (B) remit directly to the City all municipal income tax payments, each as required by the Dublin City Code. While Ohio law currently permits the Company to file its municipal income tax returns and remit its municipal income tax payments directly through the Ohio Business Gateway, the Company acknowledges that if in respect of either tax year 2020 or 2021 (inclusive) the Company either (C) files a related municipal income tax return or (D) remits a related municipal income tax payment, in either case directly with the Ohio Business Gateway instead of the City, then notwithstanding subsection 2(c)(ii), the Company shall forfeit its right to receive and the City shall not be obligated to remit the payment which the City might otherwise be required to pay pursuant to subsection 2(b)(i).

(ii) Not earlier than fifteen (15) days preceding the date on which the City is required to make the Retention Incentive Payment to the Company, the City shall determine whether the Company is in full compliance with its obligation to remit municipal income taxes to the City pursuant to the Dublin City Code. If the City reasonably determines that the Company is not in full compliance, the City shall not be obligated to make the Retention

Incentive Payment on the required payment date and will promptly provide written notification of such determination to the Company. If within sixty (60) days following the date of the City's written notification the City receives a payment from the Company which the City reasonably determines will cause the Company to be in full compliance with its municipal income tax obligations pursuant to the Dublin City Code (including any applicable interest and penalties), the City will within fifteen (15) days of receipt of such payment remit to the Company the Retention Incentive Payment. If, however, the Company fails to timely remit sufficient payment to the City in accordance with the preceding sentence, the City may in its sole discretion determine that the City's obligation to remit such Retention Incentive Payment is voided and that such Retention Incentive Payment will not be made, and will promptly provide written notification to the Company of such determination.

(d) Method of Payment. The payment to be paid to the Company as provided in this Section 2 shall be made by the City to the Company by electronic funds transfer or by such other manner as is mutually agreed to by the City and the Company.

(e) City's Obligation to Make Payment Not Debt; Payment Limited to Nontax Revenues. Notwithstanding anything to the contrary herein, the obligations of the City pursuant to this Agreement shall not be a general obligation debt or bonded indebtedness, or a pledge of the general credit or taxes levied by the City, and the Company shall have no right to have excises or taxes levied by the City, the State or any other political subdivision of the State for the performance of any obligations of the City herein. Consistent with Section 13 of Article VIII, Ohio Constitution, any payment or advance required to be made by the City pursuant to this Section 2 shall be payable solely from the City's nontax revenues and on a subordinated basis to the payment of debt service charges as may hereafter be payable on securities of the City which are payable from the City's nontax revenues. Further, since Ohio law limits the City to appropriating monies for such expenditures only on an annual basis, the obligation of the City to make a payment pursuant to this Section 2 shall be subject to an annual appropriation by the City Council and certification by the Director of Finance of the City as to the availability of such nontax revenues. For purpose of this Agreement, "*nontax revenues*" shall mean, all moneys of the City which are not moneys raised by taxation, to the extent available for such purposes, including, but not limited to the following: (i) grants from the United States of America and the State; (ii) payments in lieu of taxes now or hereafter authorized to be used for the purposes by State statute; (iii) fines and forfeitures which are deposited in the City's General Fund; (iv) fees deposited in the City's General Fund from properly imposed licenses and permits; (v) investment earnings on the City's General Fund and which are credited to the City's General Fund; (vi) investment earnings of other funds of the City that are credited to the City's General Fund; (vii) proceeds from the sale of assets which are deposited in the City's General Fund; (viii) rental income which is deposited in the City's General Fund; and (ix) gifts and donations.

The Company acknowledges that any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by a fine of not more than \$1,000 and/or a term of imprisonment of not more than six months

In the event such default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting Party shall upon written notice from any non-defaulting Party commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach. In case such action is not taken or not diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the aggrieved non-defaulting Party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach.

(h) Executed Counterparts. The Parties further respectively represent and covenant that this Agreement has, by proper action, been duly authorized, executed and delivered by the Parties and all steps necessary to be taken by the Parties have been taken to constitute this Agreement, and the covenants and agreements of the Parties contemplated herein, as a valid and binding obligation of the Parties, enforceable in accordance with its terms.

(l) Limit on Liability. Notwithstanding any clause or provision of this Agreement to the contrary, in no event shall the City or the Company be liable to each other for punitive, special, consequential, or indirect damages of any type and regardless of whether such damages are claimed under contract, tort (including negligence and strict liability) or any other theory of law.
