Public Comment *	<p>Cindy and Tim Picciano, residents of Donegal Cliffs and owners of the Dublin Village Tavern commenting: The design looks very good from the Historic Dublin perspective. As the owners of the DVT, we desire to make sure that the historic elements of the District are maintained to the extent possible. Mr. Taylor has always honored that policy in his business dealings with the District. We are in favor of this design and recommend it be accepted.</p> <p>Tim & Cindy Picciano</p>
