

# SO MANY WAYS TO PLAY

## Supplies

- 2 White pillowcases
- Black felt paper
- Tacky glue

## GHOST RACES

## Directions

1. Use black felt paper to cut out eyes and a mouth for each pillowcase.
2. Use tacky glue to glue to felt onto the pillowcase. Let it dry.
3. Create a starting line and have children get inside the pillowcase (like a traditional potato sack race) and race down and back.
4. This game should burn off lots of energy!
