

SO MANY WAYS TO PLAY

Supplies

- Paper lunch bag
- Acrylic paint (color of your choice)
- Colored cardstock paper
- Scrapbook scissors (optional)
- Markers
- Circle punches
- Scissors
- Glue

MONSTER PUPPETS CRAFT

Directions

1. Paint the front and bottom of your paper bag with the color of your choice. Let it dry completely. After painting the bag, open the bag up for it to dry so any paint under the bottom flap of the bag doesn't make the bag stick together.
2. Use your colored cardstock paper, construction paper, scissors, circle punches and markers to design a unique monster. Let your creativity take over! Think eyeballs, teeth, fun patterns, pointy ears and horns.
3. The extra fun part comes after you are finished making your monsters and can watch the kids put on a cute puppet show!
