

SO MANY WAYS TO PLAY

Supplies

- 5 oz clear glue
- 1 tablespoon baking soda
- Green glitter paint
- 3 tablespoons saline solution
- Googly eyes

SCARY SLIME

Directions

1. Squeeze 5 oz glue into bowl.
2. Add 1 tablespoon baking soda.
3. Add glitter paint, starting with a small amount until you reach desire color.
4. Stir until combined, then mix in 3 tablespoons of saline solution.
5. Roll slime in hands until it no longer sticks - this can take 5 full minutes.
Hint: If it is still too sticky, add saline solution.
6. Add eyes and you are good to go!
