**Re:** Resolution No. 47-20 – Bid Acceptance for Waterline Replacement - Phase 5 Project

### Summary

On August 27, 2020, four (4) bids were received, publicly opened, and read by Engineering staff for the Waterline Replacement – Phase 5 project. This project will replace existing 2-inch or 3-inch water lines with new 6-inch ductile iron waterlines, including fire hydrants and other associated appurtenances, in six (6) separate locations. The locations are: Turnberry Court, Red Bay Court, Bennett Court, Invergordon Court and Tamarisk Court, Dunniker Park Drive & Dunblane Court. This work will also include the re-connection of existing residential water services, the installation of nine (9) new fire hydrants, and associated milling and repaving of the plan-designated pavement surfaces of these cul-de-sacs affected by the work. For Council’s reference, a reduced set of project construction drawings has been placed in the Council Planning Room.

The project has an interim completion date of November 13, 2020 for Invergordon Court, Bennett Court, Red Bay Court and Tamarisk Court. The completion date for Turnberry Court, Dunniker Park Drive and Dunblane Court is May 14, 2021. To keep the residents informed of this upcoming project, direct mailings were sent for three virtual (Webex) public meetings. All efforts will be made to maintain access to the residences during construction. The City will have a designated Engineering Project Inspector assigned to this project, who will be available to answer questions and manage access needs at adjacent residences throughout the project.

The Engineer’s estimate for this project is \$690,000. The budgeted funds for these waterline replacements in the 2020 Capital Improvement Program are \$600,000 from account AW101 in the Water Fund.

Danbert, Inc. submitted the lowest and best bid of \$533,417.32. Staff has reviewed all bids and a summary of the bids received is listed below.

Bidder	Bid as Read	Bid as Read Over (+) or Under (-) Engineer’s Estimate	Corrected Bid
Danbert, Inc.	\$533,417.32	-22.7%	
Columbus Asphalt Paving, Inc.	\$694,174.25	0.6%	
Elite Excavating Company of Ohio, Inc.	\$707,340.00	2.5%	

Trucco Construction Company	\$732,738.00	6.2%	
-----------------------------	--------------	------	--

Staff anticipates initial construction activities to begin sometime in late September or early October with completion dates as previously described.

**Recommendation**

Staff has thoroughly reviewed the bid submitted by Danbert, Inc. Previous experience with Danbert, Inc. has been excellent on several recent projects which include the Waterline Replacement – Phase 4 (18-011-CIP), the Waterford Village Stormwater Improvements (14-017-CIP) and the Mid-Century Neighborhood Street Improvements (16-014-CIP). Staff is confident Danbert, Inc. will perform well on this project.

Staff recommends Council approval of Resolution No. 47-20 accepting as lowest and best the bid of Danbert, Inc. in the amount of \$533,417.32 and authorizing the City Manager to enter into a contract with Danbert, Inc. for this project.
