

SCHEDULING INSPECTIONS ONLINE USING THE ACCELA CITIZEN ACCESS PORTAL

www.dublinohiousa.gov/aca

1. Click on Building

The screenshot shows the City of Dublin Citizen Access Portal. At the top, there is a green header with the City of Dublin logo (a four-leaf clover) and the text "City of Dublin OHIO, USA". To the right of the logo, the contact information is listed: "Planning, Zoning, Code Enforcement: 614-410-4600" and "Building: 614-410-4670". Below the header, there is a navigation bar with several links: "Accessibility Support", "Register for an Account", "Reports (1)", and "Login". A "Return to" button is also visible. A search bar with the placeholder text "Search..." and a magnifying glass icon is located on the right side. A red arrow points to the "Building" tab in the navigation menu, which is highlighted with a red box. Below the navigation bar, there is a green bar with the text "Advanced Search". The main content area is divided into two columns. The left column contains a welcome message: "Welcome to the new Citizen Portal. We are pleased to offer our citizens, businesses, and visitors access to government services online, 24 hours a day, 7 days a week." It also mentions a partnership with Accela, Inc. and provides information about registration and services. The right column contains a "Login" section with input fields for "User Name or E-mail:" and "Password:", a "Login »" button, and a checkbox for "Remember me on this computer". Below the login section, there are links for "I've forgotten my password" and "New Users: Register for an Account". At the bottom of the page, there are two tabs: "General Information" and "Building", with "Building" being the active tab.

2. Click on “Schedule an Inspection”

The screenshot shows a navigation bar with the following items: Home, Building (highlighted with a dark background), Planning, Enforcement, and Contractor Registration. Below this is a green horizontal bar containing two buttons: 'Search Applications' and 'Schedule an Inspection'. A red arrow points to the 'Schedule an Inspection' button. Below the navigation bar is a section titled 'Search for Records' with the instruction 'Enter information below to search for records.' and a list of search criteria: Site Address, Contractor License Information, Parcel Number, Record Information, and Contact Information. A note below the list says 'Select the search type from the drop-down list.'

3. Type your permit number into the “Record Number” field. Be sure to use any prefixes such as CNEW, RNEW, CALT, RALT, CMEC, RMEC, CELE, RELE, and click “Search.” If this does not produce results, you can search by address (using only street number and street name. Leave every other field blank.

The screenshot shows the same navigation bar as the previous image. Below it is the 'Search for Records' section. Underneath is a 'General Search' section. A red arrow points to the 'Record Number' input field, which is highlighted with a yellow background and a red border. To the right of the 'Record Number' field is a 'Record Type' dropdown menu with '--Select--' as the current selection. Below these fields are 'Project Name', 'Start Date' (03/14/2018), and 'End Date' (03/13/2020) fields, each with a calendar icon and a help icon.

4. Scroll down to the Inspection Heading and click on “Schedule or Request an Inspection”
