

# Popsicle Stick Snowflake Ornaments

## Supplies:

- Colored Popsicle Sticks
- Rhinestones or Glitter
- Pom Poms
- Stickers
- Twine
- Hot Glue Gun

## Directions:

1. First you need to paint your popsicles if you do not already have colored sticks.
  2. Hot glue your popsicle sticks together. From the shape of a snowflake, put a small bit of hot glue inbetween each popsicle stick.
  3. Once done, add a bit of hot glue to the back of the snowflake and add your twine for hanging.
  4. Time to decorate! Put a small line of glue on each snowflake the pour the glitter on top. Then shake off excess glitter.
  5. Once the ornament is complete, let dry, then place on your tree.
