

SPRING UPDATED POLICIES AND PROCEDURES

Safety Measures

Please click [here](#) to view our new safety measures when entering Dublin Recreation Center.

Face coverings are **REQUIRED** at all times per an Emergency Order from Franklin County Public Health. Face coverings may only be temporarily removed while you are actively engaged in exercise so long as six or more feet of separation between individuals exists. Face coverings are **NOT** permitted to be worn in the swimming pools

Please arrive to swim lessons ready to swim. Showers and water foundations will not be open and limited space is available in the locker rooms. However, restrooms will be available.

Swim instructors will be required to wear a mask while teaching from pool deck. If instructor needs to enter the water to demonstrate skills, participants will be asked to move to the wall while the instructor demonstrates.

To ensure physical distancing is occurring within the class and the surrounding area, **all participants in levels 1 -3 must have a parent/guardian/care-giver in the water to help enforce physical distancing from others and aid with skills being learned.**

Each swim lesson participant will be provided their own swim lesson equipment that will be physically spaced on the wall and sanitized after each class.

Observing Lessons

Due to the limited capacity on pool deck, Levels 4, 5 and Adult are only permitted one parent/guardian/care-giver, per swim lesson participant. Observers will be permitted to sit on one of the benches located behind the diving boards in the lap pool area. Each participant will have a bench to leave belongings on while in swim lessons.

During swim lesson times, in the Leisure pool only, there will be no open swim permitted. Each household will have a bench or chair to leave belongings on while in swim lessons.

Lesson Ratios

Instructor to student ratios will be closely monitored to ensure the safety of all participants and quality programming. To ensure physical distancing is occurring within the class and the surrounding area, class ratios have been reduced to the following:

- Parent/Child Levels 2-3: **1:5 pairs**
- Levels 1 -3: **1:2 pairs**
- Levels 4, 5: **1:4**

*Pairs indicated will require a parent/guardian/care-giver in the water to help aid with skills of swimmer and enforce physical distancing from other participants.

Program Length

Swim lesson sessions will be four weeks in length, meeting once a week. Class lengths have been adjusted to follow the DCRC's wave times to ensure cleaning/disinfecting is occurring between each class.

- Parent/Child Levels 2-3: **30 minutes with 15 minutes of exploration**
- Levels 1 -3: **30 minutes with 15 minutes of exploration**
- Levels 4, 5 and Adult: **45 minutes**

*During exploration time, parent/guardian/care-giver will be able to work on skills learned or play games with their swimmer. Instructor will be present to assist and provide feedback to swimmers.

Fees

Due to our updated safety measures, lesson ratios and program length necessary to implement swim lessons safely, fees will be the following per session:

-Resident **\$81.00** -School District and Non-Resident **\$99.00**

SPRING SWIM LESSON SCHEDULE

Spring Swim Lesson Schedule

April 5 – May 16 (6 class)

*Classes meet 1 day a week

Fees

Resident **\$81.00**

School District and Non-Resident **\$99.00**
