Re: U.S. Census Bureau "Thank You" Certificate to City of Dublin

Purpose

The purpose of this memorandum is to highlight a "Certificate of Thanks" received from the U.S. Department of Commerce Bureau of the Census thanking the City of Dublin for its efforts as part of the U.S. Census Bureau's 2020 Census Community Partnership and Engagement Program. The City of Dublin should be proud of its collective efforts to support the 2020 Census which are highlighted by the achievement of an 83.3% self-response rate versus the goal of 80.8%, which was the level previously achieved during the 2010 Census. This achievement was critical to the success of the 2020 Census due to the impact of the COVID-19 Pandemic, which severely impeded the ability of U.S. Census workers being able to canvass the neighborhoods.

In support of the 2020 Census, the Dublin 2020 Census Complete Count Committee was initially formed under Resolution 37-19 on June 24, 2019 and consisted of several representatives from various key segments of the Dublin Community. The members of the community who served on the Dublin 2020 Complete Count Committee and the Dublin City staff members who supported them in this effort were:

Committee Members:

Christina Alutto – Council Member and Chair of the Complete Count Committee
Jenny Amorose – Dublin Chamber of Commerce
Erick Starkey – Dublin City Schools
Kimberly Yoder – National Church Residences
Amy Kramb – East Dublin Civic Association
Jill Kranstuber – Dublin Bridges
Dr. Randy Leite – Ohio University Health Sciences
Dr. Benjamin Pachter – Japanese American Society of Central Ohio
Eric Richter – Washington Township
The Rev. Dr. Stephen Smith – St. Patrick's Episcopal Church

Supporting City Staff Members:

Nancy Richison – Office of the City Manager
Homer Rogers - Office of the City Manager
Nick Plouck – Office of the City Manager
Sue Burness – Communications & Public Information
Sarah McQuaide – Communications & Public Information
Christine Nardecchia – Outreach & Engagement
Jennifer Miglietti – Human Resources
Whitney Aebker – Human Resources
Robin Myers – Human Resources
