Re: Ordinance 20-21 Economic Development Agreement with CollisionRight, LLC.

Follow-up from First Reading:

At the first reading on April 26, 2021, Vice Mayor De Rosa requested clarification on CollisionRight's growth trajectory. Traditionally (and currently), this information is outlined in Section 1(a) of the Economic Development Agreement (EDA). As a policy, the City does not hold companies contractually to a finite number of jobs (headcount). Their payroll withholdings growth is the only EDA contract requirement, outside of the lease terms. The payroll growth and total payroll withholdings targets are always included in Section 2(b)(v) of the proposed EDA.

The following table addresses Vice Mayor De Rosa's question as it relates to the estimated headcount growth *annually*; as projected by the company:

Year	Employee Estimate	Payroll Estimate	Target 2% Withholdings (WH)	Projected 20% Incentive on (WH)	Maximum Payment
2022	16	\$2,100,000	\$42,000	\$8,400	\$10,000
2023	24	\$2,187,500	\$43,750	\$8,750	\$10,000
2024	25	\$2,362,500	\$47,250	\$9,450	\$11,000
2025	27	\$2,537,500	\$50,750	\$10,150	\$11,000
2026	29	\$2,712,500	\$54,250	\$10,850	\$12,000
2027	31	\$2,887,500	\$57,750	\$11,550	\$12,000
2028	33	\$2,974,125	\$59,483	\$11,897	\$13,000

Proposed Performance Withholding Incentive Total:

\$79,000

Background

CollisionRight, LLC established in Dublin in 2021, has reached capacity at its temporary Dublin facilities located inside Brick House Blue in Bridge Park. As a result, CollisionRight has been conducting a competitive real estate search for expansion opportunities to establish a national headquarters in several Central Ohio communities, including Dublin, Upper Arlington and Columbus.

CollisionRight offers high-quality auto body repair services by combining advanced training, OEM-certifications, and the use of state-of-the-art equipment. Together, with their financial partners at CenterOak Partners, their vision is to establish CollisionRight as a leading provider of auto collision repair services in the Central U.S. and build one of the top multi-shop operations in the country. In 2019, CollisionRight shops provided quality repair service for more than 20,000 vehicles.

Memo re. Ordinance 20-21 Economic Development Agreement with CollisionRight, LLC May 4, 2021 Page 2 of 2

To meet expansion needs, CollisionRight is considering executing a ten-year lease in Dublin that would retain and establish a new corporate headquarters in the community under women-owned leadership. In consideration of the company's investment commitment, The Economic Development Agreement proposed is a performance withholding incentive totaling \$79,000. The incentive is contingent upon the company signing a ten-year lease within City of Dublin corporation limits of at least 5,000 SF by December 1, 2021. Additionally, the company is required to obtain an occupancy permit.

The project retains six (6) existing employee positions within the City. The Company also expects to create twenty seven (27) new employee positions within the City by December 31, 2028. The City anticipates more than \$374,000 in net withholdings over the next seven years.

day of, 2021 (the "Effective Date"), by and between the CITY OF DUBLIN, OHIO
(the "City"), a municipal corporation duly organized and validly existing under the Constitution
and the laws of the State of Ohio (the "State") and its Charter, and COLLISIONRIGHT, LLC, a
Delaware limited liability company (the "Company" and together with the City, the "Parties"), under
the circumstances summarized in the following recitals.

RECITALS:

WHEREAS, consistent with its Economic Development Strategy (the "Strategy") approved by Dublin City Council Resolution No. <u>56-19</u> adopted on <u>October 19, 2019</u>, the City desires to encourage commercial office development and create and preserve jobs and employment opportunities within the City; and

WHEREAS, based on the results of the Company's recent comprehensive examination of workforce needs, and induced by and in reliance on the economic development incentives provided in this Agreement, the Company desires to lease a facility to retain and expand its corporate headquarters and its associated operations and workforce, all within the City; and

WHEREAS, pursuant to Ordinance No. ____-21 passed on _______, 2021, the City has determined to offer the economic development incentives described herein to induce the Company to lease a facility for the retention and expansion of the Company's corporate headquarters and the associated operations and workforce, all within the City, which will result in the retention of certain existing and creation of new jobs and employment opportunities to improve the economic welfare of the people of the State of Ohio and the City, all as authorized in Article VIII, Section 13 of the Ohio Constitution; and

WHEREAS, the City and the Company have determined to enter into this Agreement to provide these incentives in order to induce the Company to lease a facility to retain and expand its corporate headquarters and its associated operations and workforce, all within the City;

Now Therefore, in consideration of the foregoing, the promises contained herein, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the City and the Company agree and obligate themselves as follows:

- Section 1. <u>Company's Agreement to Lease a Facility to Retain and Expand its Corporate Headquarters and its Associated Operations and Workforce Within the City.</u>
- (a) In consideration for the economic development incentives to be provided by the City herein, the Company agrees that it will lease a facility of 5,000 SF or greater, which is located within the City (the "Facility") to retain and expand its corporate headquarters and the associated operations and workforce, all within the City, and all consistent with the terms of this Agreement. The Company expects to retain six (6) existing employee positions within the City. In addition, the Company expects to create twenty-seven (27) new employee positions within the City by December 31, 2028.

The total estimated payroll withholdings for the retained and new employee positions is estimated to be approximately Three Hundred Seventy-Four Thousand Dollars (\$374,000) through December 31, 2028.

The Company agrees that the City's obligations to remit the payment pursuant to (b) Section 2 of this Agreement shall be contingent upon (i) the Company delivering to the City a photocopy of a fully executed agreement evidencing the Company's lease of the Facility within the City (the "Lease Agreement"), provided that the term of such Lease Agreement shall commence no later than December 1, 2021 and terminate no earlier than ten (10) years thereafter, which will accommodate the retention and expansion of the Company's corporate headquarters and its associated operations and workforce, (ii) the City issuing to the Company (which issuance will not be unreasonably withheld, delayed or conditioned) a certificate of occupancy (the "Certificate of Occupancy") for the Facility, (iii) the Company occupying the Facility and (iv) such other conditions as are set forth in Section 2; provided, however, and notwithstanding any provision herein to the contrary, if the Company shall, after having acted in good faith, fail to deliver either the Lease Agreement, receive the Certificate of Occupancy or occupy the Facility, each within the respective periods set forth in subsections 3(s)(i), 3(s)(ii) and 3(s)(iii), (v) this Agreement will terminate without such failure constituting a breach by the Company, (vi) the City's obligation to remit the Annual Incentive Payments will be terminated and (vii) the Company will owe no penalties to the City as a result of such failure.

Section 2. <u>City's Agreement to Provide Incentives.</u>

(a) <u>General</u>. In consideration for the Company's agreement to lease the Facility and retain and expand its corporate headquarters and its associated operations and workforce, and to retain existing and create new jobs and employment opportunities, all within the City, the City agrees to provide economic development incentives to the Company in accordance with this Section.

(b) Workforce Creation Incentive.

- (i) <u>Calculation of Actual Payroll Withholding Taxes</u>. On or before March 15 of each of the years 2023 through 2029, the City shall calculate the actual payroll withholding taxes collected and received during the then preceding calendar year and in respect of that preceding calendar year by the City from all Employees (as defined below). For purposes of that calculation, the Company acknowledges and agrees that the total amount of actual payroll withholding taxes in respect of any calendar year shall be determined based solely upon the amount of payroll withholding tax payments actually received by the City from the Company during that calendar year. The Company further acknowledges and agrees that any amount received by the City in respect of any calendar year but following the conclusion of that calendar year will not be considered in the total amount of actual payroll withholding taxes for that calendar year. The City reserves in its sole discretion the right to waive this limitation. For purposes of this Section 2, "Employees" shall include only those individuals employed by the Company and working within the City.
- (ii) <u>Information Relating to Employees</u>. The Company agrees that, in accordance with the City's codified ordinances, as may hereafter be amended from time to time (the

"Dublin City Code"), the annual payroll reconciliation and related W-2 forms relating to its Employees will be provided to the City prior to February 28 of each calendar year.

- (iii) <u>Employer Identification Number</u>. The Company's Federal Employer Identification Number is <u>85-2073418</u>. The Company agrees that if the Federal Employer Identification Number changes at any time during the term of this Agreement, the Company will notify the City of such change, including the new Federal Employer Identification Number, within thirty (30) days of the occurrence of such change.
- (iv) Annual Incentive Payments to the Company. Subject to the Company's compliance with the requirements set forth in subsection 2(c), if the actual payroll withholding taxes collected and received by the City pursuant to subsection 2(b)(i) during the then preceding calendar year and in respect of that preceding calendar year from all Employees, net of refunds (such amount being referred to as the "Actual Withholdings"), equal or exceed the Target Withholdings (as defined in subsection 2(b)(v)) for that preceding calendar year, the City shall, on or before April 15 of the then current calendar year, pay to the Company, solely from nontax revenues (as defined in subsection 2(e)), an amount equal to the product of (A) the Actual Withholdings for that preceding calendar year multiplied by (B) twenty percent (20%) (with each such product being referred to as an "Annual Incentive Payment"); provided, however, that (1) the City shall not be required pursuant to this subsection 2(b) to remit an Annual Incentive Payment to the Company in excess of the Annual Cap (as defined in subsection 2(b)(v)) in any calendar year, and (2) the aggregate amount of all Annual Incentive Payments remitted pursuant to this subsection 2(b) by the City to the Company shall not exceed Seventy-Nine Thousand and 00/100 Dollars (\$79,000.00).

(v) <u>Target Withholdings and Annual Cap</u>. The Target Withholdings and the Annual Cap for each of the calendar years 2022 through 2028 shall be as follows:

Calendar Year	Target Withholdings	Annual Cap
2022	\$42,000	\$10,000
2023	43,750	10,000
2024	47,250	11,000
2025	50,750	11,000
2026	54,250	12,000
2027	57,750	12,000
2028	59,483	13,000

(vi) Forfeiture of Right to Receive Annual Incentive Payments. The Company agrees and acknowledges that the Annual Incentive Payments provided for in subsection 2(b) are being made by the City to the Company in consideration for the Company's agreement to lease the Facility and retain and expand its corporate headquarters and its associated operations and workforce, and to retain existing and create new jobs and employment opportunities, all within the City. The Company further agrees that if the Target Withholdings requirement is not met for any given calendar year as set forth in subsection 2(b)(v), the City shall not be obligated to make an Annual Incentive Payment to the Company for the calendar year in respect of which the Target Withholdings requirement was not satisfied. Failure to

satisfy the Target Withholdings requirement in respect of any one calendar year does not prohibit the Company from receiving an Annual Incentive Payment for any subsequent calendar year in respect of which the Target Withholdings requirement is satisfied.

(c) Filing of Municipal Income Tax Returns and Remission of Related Taxes.

- (i) The Company agrees that it shall timely (A) file directly with the City all municipal income tax returns and (B) remit directly to the City all municipal income tax payments, each as required by the Dublin City Code. While Ohio law currently permits the Company to file its municipal income tax returns and remit its municipal income tax payments directly through the Ohio Business Gateway, the Company acknowledges that if in respect of any of the tax years 2022 through 2028 (inclusive), the Company either (C) files a related municipal income tax return or (D) remits a related municipal income tax payment, in either case directly with the Ohio Business Gateway instead of the City, then notwithstanding subsection 2(c)(ii), the Company shall forfeit its right to receive and the City shall not be obligated to remit any payment which the City might otherwise be required to pay pursuant to subsection 2(b)(iv) (each applicable payment being referred to as a "Required Payment") in respect of that tax year.
- (ii) Not earlier than fifteen (15) days preceding the date on which the City is required to make a Required Payment to the Company, the City shall determine whether the Company is in full compliance with its obligation to remit municipal income taxes to the City pursuant to the Dublin City Code. If the City reasonably determines that the Company is not in full compliance, the City shall not be obligated to make the Required Payment on the required payment date and will promptly provide written notification of such determination to the Company. If within sixty (60) days following the date of the City's written notification the City receives a payment from the Company which the City reasonably determines will cause the Company to be in full compliance with its municipal income tax obligations pursuant to the Dublin City Code (including any applicable interest and penalties), the City will within fifteen (15) days of receipt of such payment remit to the Company the Required Payment. If, however, the Company fails to timely remit sufficient payment to the City in accordance with the preceding sentence, the City may in its sole discretion determine that the City's obligation to remit such Required Payment is voided and that such Required Payment will not be made, and will promptly provide written notification to the Company of such determination.
- (d) <u>Method of Payment</u>. The payments to be paid to the Company as provided in this Section 2 shall be made by the City to the Company by electronic funds transfer or by such other manner as is mutually agreed to by the City and the Company.
- (e) <u>City's Obligation to Make Payments Not Debt; Payments Limited to Nontax Revenues</u>. Notwithstanding anything to the contrary herein, the obligations of the City pursuant to this Agreement shall not be a general obligation debt or bonded indebtedness, or a pledge of the general credit or taxes levied by the City, and the Company shall have no right to have excises or taxes levied by the City, the State or any other political subdivision of the State for the performance of any obligations of the City herein. Consistent with Section 13 of Article VIII, Ohio Constitution,

any payments or advances required to be made by the City pursuant to this Section 2 shall be payable solely from the City's nontax revenues and on a subordinated basis to the payment of debt service charges as may hereafter be payable on securities of the City which are payable from the City's nontax revenues. Further, since Ohio law limits the City to appropriating monies for such expenditures only on an annual basis, the obligation of the City to make payments pursuant to this Section 2 shall be subject to annual appropriations by the City Council and certification by the Director of Finance of the City as to the availability of such nontax revenues. For purpose of this Agreement, "nontax revenues" shall mean, all moneys of the City which are not moneys raised by taxation, to the extent available for such purposes, including, but not limited to the following: (i) grants from the United States of America and the State, (ii) payments in lieu of taxes now or hereafter authorized to be used for the purposes by State statute, (iii) fines and forfeitures which are deposited in the City's General Fund, (iv) fees deposited in the City's General Fund from properly imposed licenses and permits, (v) investment earnings on the City's General Fund and which are credited to the City's General Fund, (vi) investment earnings of other funds of the City that are credited to the City's General Fund, (vii) proceeds from the sale of assets which are deposited in the City's General Fund, (viii) rental income which is deposited in the City's General Fund and (ix) gifts and donations.

- (b) <u>Binding Effect</u>. The provisions of this Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns.

- (e) Economic Development Assistance Certification. The Company has made no false statements to the City in the process of obtaining approval of the incentives described in this Agreement. If any representative of the Company has knowingly made a false statement to the City to obtain the incentives described in this Agreement, the Company shall be required to immediately return all benefits received under this Agreement pursuant Ohio Revised Code Section 9.66(C)(2) and shall be ineligible for any future economic development assistance from the State, any State agency or a political subdivision pursuant to Ohio Revised Code Section 9.66(C)(1). The Company acknowledges that any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by a fine of not more than \$1,000 and/or a term of imprisonment of not more than six months.

In the event such default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting Party shall upon written notice from any non-defaulting Party commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach. It shall not be necessary in proving this Agreement to produce or account for more than one of those counterparts.
- (i) Extent of Covenants; No Personal Liability. All covenants, obligations and agreements of the Parties contained in this Agreement shall be effective to the extent authorized and permitted by applicable law. No such covenant, obligation or agreement shall be deemed to be a covenant, obligation or agreement of any present or future member, officer, agent or employee of the City or the Company other than in his or her official capacity, and neither the members of the legislative body of the City nor any City or Company official executing this Agreement shall be liable personally under this Agreement or be subject to any personal liability or accountability by reason of the execution thereof or by reason of the covenants, obligations or agreements of the City and the Company contained in this Agreement.
- (j) <u>Governing Law</u>. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio without regard to its principles of conflicts of laws. All claims, counterclaims, disputes and other matters in question between the City, its agents and employees, and the Company, its employees and agents, arising out of or relating to this Agreement or its breach will be decided in a court of competent jurisdiction within Franklin County, Ohio.

- (l) <u>Limit on Liability</u>. Notwithstanding any clause or provision of this Agreement to the contrary, in no event shall the City or the Company be liable to each other for punitive, special, consequential, or indirect damages of any type and regardless of whether such damages are claimed under contract, tort (including negligence and strict liability) or any other theory of law.
