Re: Ordinance 33-21 To Authorize the Establishment of the Local Fiscal Recovery
Special Revenue Fund

Summary

On March 11, 2021 the American Rescue Plan Act of 2021 was signed into law by the President of the United States. As part of that \$1.9 trillion economic COVID-19 stimulus package, \$350 billion was allocated to state and local governments. Of that amount, Dublin will receive a total of \$5.1 million in two equal installments not less than 12 months apart. The City expects to receive the first tranche in the third quarter of 2021.

Council was previously notified that the City would receive an estimated \$9.6 million. The reduction occurred because in the original distribution formula provided by the U.S. Treasury, townships were not included as non-entitlement units (NEU) of government. The Treasury leaves the final determination of NEUs to the individual states. Ohio determined that townships should be considered NEUs for distribution and the funding formula was recalculated to include their respective per capita share of the available funding.

Recommendation

Staff recommends City Council approval of Ordinance 33-21 at the second reading and public hearing on August 16, 2021.
