

Project Statement: We are creating a fairy gardening in the court yard between 28 and 24 North High St. For the project we will lay down mulch and stone pavers. We will have a **Wrought Iron Fence Panels - 3 foot Tall - with Metal Stakes** 3 Foot Wrought Iron Fence made like they did 100 years ago. Wrought Iron Fence Panels built in middle Illinois by bending solid metal rods and welding the parts together to form the best 3 foot fence and metal anchor stakes you can buy. Cast iron topped finials on the interconnecting stakes. From Unique Home and Garden Decor. Find information on https://www.arusticgarden.com/garinfen.html?utm_source=googleshopping&utm_medium=cse
