

Brighton Commons Playground Renovation - Dublin, Ohio

The playground at Brighton Commons is due for playground equipment replacement. The renovation will maintain the same size play area and include equipment appropriate for children aged 2-5. There are two options for the main play structure and one will be selected based on public comment. Other amenities include a merry-go-round and see-saw.

Option 1:

Hedra Scout Play Structure

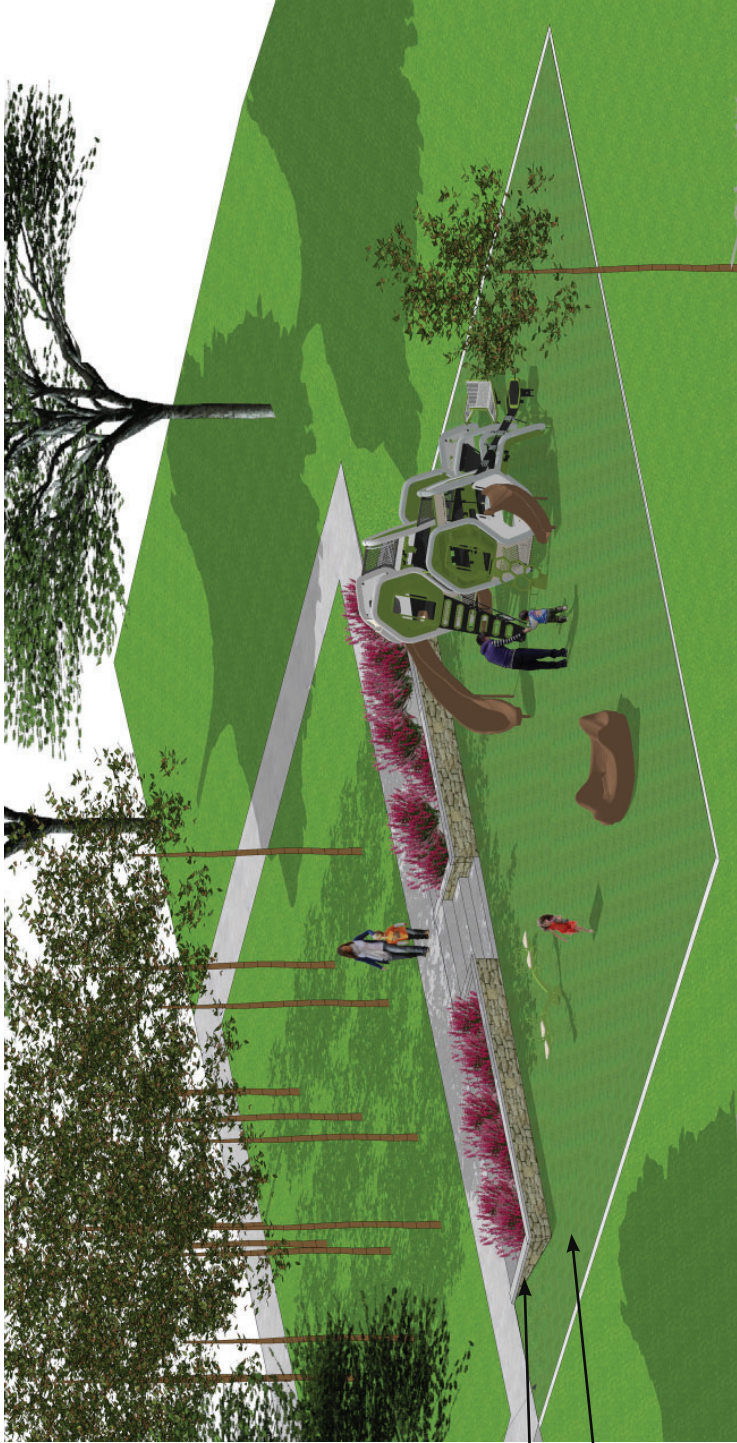

Designed for children ages 2-5, the Hedra Scout features many climbing activities, slides and is ADA compliant.
