

Amberleigh Playground Renovation - Dublin, Ohio

Amberleigh park is scheduled for playground equipment to be replaced this fall of 2022. The community outreach requested the need for additional swings keeping activities for younger children. The Loft & Fire Station will add a variety of play activities to the village. The Smart Play® Tree Tops® playstructure gives kids the sense of exploring a forest canopy branch by branch. But beyond the normal ups and downs of traditional tree-climbing, here kids can also navigate their way across wiggly bridges, crawl through the O-Zone® 3-ring climber, roar down two different slides, plus so much more. Such a great range of interconnected activities at multiple levels will spark hours of imaginative and energetic play, all protected by plenty of built-in shade.
