

# PLAYGROUND IMPROVEMENTS PUBLIC INPUT

## POST PRESERVE PARK PLAYGROUND IMPROVEMENTS

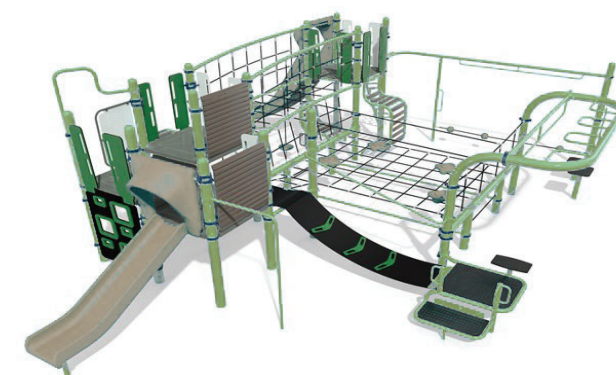

Each year, the City of Dublin identifies park playgrounds that are due for an update. We are asking for feedback on the renovated playground's design. Residents are encouraged to review the park renderings and provide their input online by **Friday, April 8th**. The proposed playground renovation at Post Preserve includes all new equipment and surfacing. This playground design is filled with play experiences for children of all ages and abilities. Plenty of activities means plenty of fun for toddlers and preschoolers. While this innovative playground welcomes 2 to 5-year olds for play, the Cube® was designed to specifically meet the needs of kids ages 2 to 3. Cube®, a part of the Smart Play® series, is manufactured in a smart way, using recycled Permalene® and making the best possible use of

### Venti

Designed for kids ages 5-12, Venti® packs 20 exciting activities into its compact size. Nets, slides, belts and climbers provide lots of fun and challenges that promote physical development and strategic thinking, while also creating hangouts where kids can take a break and connect with others.

### Cube

Cube is a smart choice for younger children, packing 14 activities into a compact space to keep them busy and entertained in a safe and developmentally appropriate way. 14 activities addressing developmentally-appropriate skills: Steel Drum, Nesting Puzzle, Slotted Puzzle, Puzzle Panel, Manipulative Arrow Panel, Slide, Table Panel (underneath deck), Activity Table with Bench, Mirror Panel, Magnet Stack, Arch Climber, Ladder Rail Disks, Steering Wheel, Crawl-through Panel

### Friendship Swing

This multi-user commercial playground swing is one size fits all, from two kids to a multigenerational family. The Friendship® Swing is a great way for siblings, parents and grandparents to enjoy time together.
